Chamber of Commerce update for November 2017

The Christmas parade held on November 18, 2017 was probably one of the largest in Bonham's history. The parade lasted almost a full hour with 68 entries. Businesses, individuals, and civic groups entered floats that they had put in some serious time in decorating. While the activities during the daylight hours were hampered due to 30 mph winds out of the North by the time of the parade the winds had abated and everyone had a great time.

The chamber is busy planning the annual banquet to be held on February 3, 2018 at the Multi-purpose complex. The theme this year is Casino night and we have hired a company to help make this a night to remember.

Fannin County Multipurpose Complex Update for November 2017

The Complex is getting ready to install the sound absorption panels on the interior walls starting December 18th. The project consists of installing 140 – 2 inch thick foam panels that have a fabric covering over them. They will cover from seven foot high up to the ceiling. The improvement in sound quality will allow for a building wide speaker system to be put in place later on.

The chamber board is considering some of the projects that still need addressed at the facility and will have a list by priority of need and funds available after the December meeting. The goal is to keep improving the facility whereby it can become a major draw for users both within and outside the county.

Rentals for the 2018 period are coming in now with only 5 weekends still available during the first 5 months of the new year.
