Chamber of Commerce Update
By Dale McQueen

The 2016 Bonham Area Chamber of Golf Tournament was finally held on June 24, 2016 at Legacy Ridge Country Club. While the weather was hot everyone had a good time and we had a total of 15 teams entered in the event this year. The 1st place winners got to go home with new golf bags, the 2nd place winners won new sand wedges, and the 3rd place winners won a round of golf from Legacy Ridge and a free meal from Rolando's. Sadly, no one made a hole-in-one on #14 so we were not able to give away a new Chrysler 300 sponsored by Bonham Chrysler. Thanks also to TMC – Bonham for sponsoring the prize package and Blake Utter Ford for sponsoring the Carts. We appreciate everyone who was a part of the event and look forward to seeing you next year.

The Abandon Concert held on June 25, 2016 at the Multipurpose complex was attended by approximately 250 people. The Lannius Church of God Praise band and the No Name band where big hits for everyone and most everyone in attendance was involved in these two groups songs. The Abandon group had quite a few people involved in their performance with a whole group of people right in front of the stage singing along with them.

For July 4th the Chamber will be putting out the flags around the courthouse square. We are in need of some new flags also. If you would like to help in this, please contact the chamber office at 903-583-4811.

Planning is underway for the Festival of Flight and Autumn in Bonham to be held on October 22, 2016. The Holiday parade committee is already out soliciting businesses that might want their windows painted for the holiday season.

Multipurpose Complex Update
By Dale McQueen

The complex has 4 events scheduled for July. All four events are privately scheduled parties.

The pig wash rack for the FFA, 4-H groups has been formed up but not yet poured. The schools have looked at the design and are looking forward to using it this year. It should be poured the 1st or 2nd week of July.

The 3 ton AC unit that supplies the restrooms had the reversing value inside the unit go out and had to be replaced. The total cost for the repairs including the initial call out will be \$1,297. The unit was operational again for the event scheduled on July 2nd. The man-lift had a repair done to a solenoid that controls the lifting mechanism.
