**Chamber of Commerce Update  
By Dale McQueen**

The chamber put on both the Autumn in Bonham and the 2016 Festival of Flight in October. The attendance for the Autumn in Bonham was 113 paid riders and virtually all the responses from the riders was positive. Plans are underway for making this an annual event again starting next year. The Festival of Flight was well attended and everyone had a great time. The Festival of Flight is most likely the largest one day attendance event held in the Fannin County area. Great weather was also a factor in making both of these events such a success this year.

The Lollipop's on the Square have started going up and this year you will see some truly outstanding designs being put up. Susan is outdoing last year's designs by 100% and everyone will be able to see just how far we have come in making your Lollipop unique over the past few years. New Lollipop's are \$40 each and if you choose to use last year's it is still \$25.

Starting November 1<sup>st</sup> the Christmas decorations will start going up around the square. The chamber will putting up the Christmas tree, the lights inside the courthouse square, and this year a new 15 foot gazebo will be going up around the tree for photos and other events.

The highlight of the month will be the Christmas parade on November 18<sup>th</sup>. Sign up now to be in the parade and get a chance to win \$500, \$250, or \$100 cash prizes for your parade entry. We will have three great judges on hand to pick the winners the night of the parade.

Watch for some elves out and about the first few weeks of November. They will painting Christmas decorations on various windows around downtown and other areas of the city.

**Multipurpose Complex Update  
By Dale McQueen**

The Complex will be hosting two main events during the month of November. The National Retriever Dog trails will be held November 12 – 18<sup>th</sup> at the complex facility. The annual Justice is Served dinner will be on November 19<sup>th</sup>.

We had one event in October that did not happen as scheduled due to a death in the family earlier in the year. We were not aware of this until a week before the rented date and as such did not have a replacement event to take up that date.

The complex had a good month financially due to the other events held during the month and we actually had two events take place on the same day with the ability of being able to use both the main building and the arena at the same time. With the addition of a permanent electric meter at the arena and enough LED lights to truly light up the facility, the goal is to have more events at this venue throughout the year. While the cost to use the arena or pavilions is less than the main building, even renting them out one day a month at \$250 day would bring in additional revenue that could be used to upgrade the pavilions lighting for even more flexibility in renting out.

We have had good feedback on the new Pig wash station used for the first time during the fair this year. It greatly helped keep down the mud and dirt issues that had been a problem in past years.

**Chamber of Commerce Update  
By Dale McQueen**

The Chamber has a very busy month coming up in October with the Autumn in Bonham, Festival of Flight, and the Halloween on the Square as major events.

One major change for the chamber this past month concerns our payments to the IRS for employment taxes. In the past we have paid our employment taxes every three months. Upon receiving a letter from the IRS on September 15, 2016 we were informed that as we have

been paying just a few dollars over \$2,500 every three months for these taxes, we now fall under a procedure whereby our employment taxes are due every month by the 15<sup>th</sup> for the preceding month. We pay these taxes by electronic funds transfers directly to the treasury.

**Multipurpose Complex Update**  
**By Dale McQueen**

At the September meeting it was suggested that the complex look into procuring insurance through the Texas Municipal League insurance program. After talking with the TML the complex is not eligible for this type of service as they are not a municipal entity. The only remedy to this would be to have a contract with the City of Bonham that they would be responsible for the insurance policy payments and oversight. Based on many of the events held at the complex whereby alcohol is served when minors are present the city would not be able to accommodate this type of request at this time.

The complex will be hosting events every weekend in October with the biggest one being the Fannin County Fair starting October 5<sup>th</sup>. The complex purchased enough pipe and draping to set-up a 60 foot long backdrop. The fair will use it for the first time on Thursday night. We may be able to rent them out when not used to members of the chamber for various events.
