

Learn How To Get A FREE Web Site & Market With It At March 18th Luncheon

Yes, a FREE web site and how to effectively market with it to increase your business will be the subject of the Friday, March 18, 2011 Chamber Luncheon from Noon to 1:30 pm at Schumardii's. A fabulous steak lunch is included. "How can you beat that?"

The Internet is now one of the most effective marketing tools, and you can learn how to effectively use it during this session.

We are fortunate to have a new resident in Fannin County that excels in Internet Marketing, and he has agreed to do a luncheon session for Chamber Members. Jerry Cooper has retired and moved to Fannin County and has started "Web Rank Masters" a consulting company that can get your web site ranked among the first to come up in Google, and teach you how to effectively market your business thru the Internet.

Jerry Cooper is the owner of Web Rank Masters.com.

A native Texan and life-long Texas resident, Jerry grew up in Dallas, but spent weekends, summers and holiday's on his grandparent's farm south of Honey Grove.

Attending College at North Texas State University in Denton, Texas and Harvard University in Cambridge Massachusetts, Jerry enjoyed a successful business career in the commercial real estate business in Dallas as a founding partner in Emerson Partners, Inc., a private equity and syndication firm specializing in Industrial and Office Developments in D/FW and Austin.

Following the sale of his company in 2006, Jerry returned to Fannin County and has focused his attention on web-site development and web-marketing consultation.

March Network Nite Rescheduled

The Forerunner Christian Academy Network Nite scheduled for March 24th has been rescheduled until September 15, 2011.

They had water pipes freeze and bust , and do considerable damage to the facility. Construction will not be finished in time for the March 24th Network Nite, so they have chosen to reschedule.

There will not be a March Network Nite.

Web Rank Masters (WRM) specializes in gaining high search engine rankings for business websites. WRM also designs and manages internet marketing campaigns and mobile marketing campaigns for Smart Phones.

Jerry is married, with 4 children, Aaron, Megan, Hannah and Brice (3 still in college). His wife Judy is the Director of Imaging Services at UT Southwestern Medical School in Dallas.

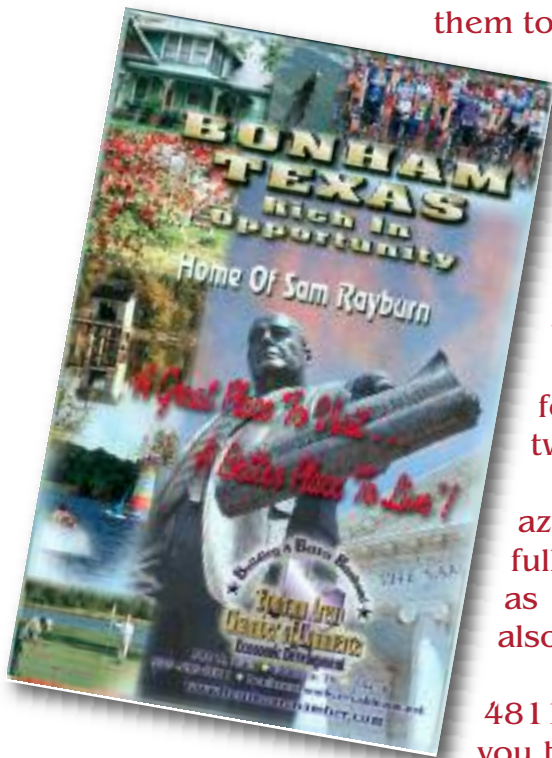

The Chamber Luncheon will be open to the general public and will cost \$20 for Chamber Members and \$25 for Non-Members. The cost includes some fabulous information and a Schumardii's steak lunch. The one-hour session would normally cost \$225.

See the enclosed flyer and sign-up TODAY, because space will be limited. Call Bill at the Chamber 903-583-4811 for more information about the Chamber Luncheon.

Visitor Guide Book Ads Go On Sale for 2011 Edition

The Bonham Area Chamber Visitor Guide/Image Magazine has proven to be a great investment for Chamber Members, and your opportunity for 2011 starts today.

This is a great opportunity to get exposure to newcomers and visitors to the area. About 15,000 of the magazines are distributed each year through The Chamber, Chamber Members, other Chambers, and through State Visitor Centers around Texas. The books are distributed to all Chamber Members, as well, to encourage them to trade locally.

No one else produces a marketing piece this informative and effective about Bonham.

We have kept the ads very affordable for our Members so you can enjoy the benefits of this great exposure to folks who don't know about your business. New customers are the life-blood of any business.

This year's book will be in an 8.5" X 11" format unlike previous years, so ads will be twice the size they were before.

You can get a quarter page ad in the magazine for \$350. A half page ad is \$600 and a full page ad is \$1,000. Special locations, such as back page, page 3, and inside covers, are also available for an extra charge.

Call Bill at the Chamber NOW @ 903-583-4811, to reserve this **GREAT OPPORTUNITY** for you business.

Chamber Headed To Austin!

Nineteen people interested in the future of Fannin County will be headed to Austin, Tuesday, March 8, 2011 to visit with Legislators about the future of our County and the Cities within it.

The group will leave the Chamber office at 9:30 am that morning with plenty of issues to discuss with the Legislators and maybe even the Governor that concern our area. They will have dinner that evening and the next day is full of meetings with appropriate Legislators and Department Heads to ask questions and give ideas about our needs in Fannin County. It will be a fun, effective, and tiring trip, but this is maybe the most important of these adventures as the Legislature is considering how to balance the budget. If we don't remind them of our needs, they may use cuts in Fannin County to balance the budget.

Those attending are: John Burnett, Bonham City Council and wife Kay; Ruth Ann Thomas, Bonham City Council, and School Board Member Bob Thomas; Harold Roberts, Honey Grove Mayor, and wife Wanda; Samatha Lumpkins, Owen-Parker Medical, George & Janice Crow, Fannin residents; Joe Ward, Republican Party Chair; Jack Bonds, Chamber Chair; Richard Glaser, Criminal Dist Attorney and wife Rebecca; Mayfield McCraw, McCraw Materials, Sonny Cruse, BISD Superintendent; Joyce Kepley, Fannin County Leader Editor; Todd Thompson, Oncor, and wife Sherry; and Bill Jones, Chamber Executive.
