

The Bonham Area Chamber of Commerce Holiday Wine Stroll December 5th - 4 - 8 pm

How would you like to have up to 350 local people walk through your store just weeks before Christmas and see what you have to offer?

The Annual Wine Stroll hosted by the Bonham Chamber of Commerce can make that a reality for your business this year

The Chamber will have a winery from Texas set-up in your store and serve tastings of their wine to all the participants on the wine walk

To entice everyone into each stop on the wine walk we will also have a drawing to award three individuals \$100 each at the end of the night who have made a stop at each vendor location

Participating Vendors Responsibility

- 1) Cost to participate is \$150 per merchant
- 2) Allow a winery to set-up in your store - if you want to participate and do not want a winery - will you allow a food vendor to set-up in your store?
- 3) Mark each participants card that they came into your business
- 4) Be prepared for a large number of shoppers in a 3 hour time window

Every vendor on the wine walk will have the design below displayed on their window for the participants to see
